# Mauviel 1830®

In 1830 in a Normandy village called Villedieu-les-Poeles located near Mont-Saint-Michel, Mr Ernest Mauviel established the Mauviel manufacturing company. Villedieu-les-Poeles (the City of Copper) has an 800 year heritage of copper manufacturing.

Since the very early years, by offering the highest quality products, Mauviel has been a fixture in the professional and commercial markets. Today, Mauviel continues to offer the professional chef products that are unsurpassed in quality and design and these same products are now available to the household market.
